Though he is nearly 65 years of age yet he is active and has some years work in him. It will be some consideration for his long service to give him this promotion for about 3 or 5 years and thereby vacate, giving his place to the new man who would by that time have picked up sufficient knowledge of work and show his fitness to succeed.

34 If the above recommendation is accepted I would recommend for the 1st Darogha's place Ahmed ali Khan No 1 in the list. who is highly connected and reported to have respectable acquirements in Arabic and

I have consulted this applicant if he is willing to accept the Darogah's place if offered him and he is agreeable but suggests that the place maybe styled Assistant Magistrate carrying the same salary and the same duties. As the Magistrate usually has his office at the Magisterial at Srirangapatam, the change of designation may not ordinarily be made.

35 If the above should however not meet with approval, I suggest the following two names out of the list as being competent to hold the place.

37 As regards the pay of the appointment it seems sufficient to fix it for the present at Rs 40. When Abdul Khalik was first appointed the pay was only Rs 35 which was raised to Rs 50 in 1906. His wants left free Rs 10 which can come in handy for other improvements. The revision of the Scale of expenditure is also necessary and will be taken up early and investigated

2. There are twenty six applicants in all for the vacant place. A list showing the names of the applicants, their claims and qualifications, with a summary of the reasons advanced by each applicant in support of his case, has been prepared and placed on the file.

3. The applications of twenty three of them have been enquired into by Mr. A. Subramanya Iyer, Deputy Commissioner of Mysore, and his opinion as regard each of them, is recorded in a list submitted by him. He has indicated only three names as being fit to be considered by Government. They are:

3. No.23 on the list. Mahomed Ibrahim (Registration Head Clerk of the Deputy Commissioner's office on Rs.30 per mensem).

4. The Muzrai Superintendent is of the opinion that the best arrangement would be to appoint the present first Daroga (No.7 in the list) as Nazim and select a new man in his place. He states that Mahomed Karimudin has put in about 45 years of service in the Gumbuz and 12 years as first Daroga and has been acting as Khaji and Nazim temporarily, and though 65 years old, he is active and has some years' work in him. For the post of the first Daroga now held by him, the Muzrai Superintendent proposes the name of Ahmed Ali Khan (No.1 in the list) who is highly connected and reported to be versed in Arabic and Persian. The Muzrai Superintendent has consulted Mr. Mir Hunza Hussain, Officiating Judge, Chief Court, who agrees that this arrangement is a most suitable one.

Page 16 of ho

5. If, however, the above should not meet with approval, the Muzrai Superintendent suggests the following two names out of the list, as being competent to hold the Nazim's place:-

1. No.9 on the list — Mahomed Karimuddin (Retired Excise Inspector and brother of the late Nazim).

2. No.23 on the list. — Mahomed Ibrahim (Registration Head Clerk, Mysore District Office).

In the event of such an arrangement, the Muzrai Superintendent states that it is not unlikely that the present acting man will ask to be relieved. In such a contingency, he would suggest the appointment of Mahomed Ibrahim (No.23 on the list) as being the more reliable of the two, the first Daroga's place being given to Ahmed Ali Khan (No.1 on the list).

free Rs.10/- which will come in handy for other improvements.

7. On a consideration of the qualifications of the several applicants and the recommendations of the Deputy Commissioner and the Muzrai Superintendent, the Second Member of Council suggests:-

Page 18 of notes

(1) that Mahomed Karimudin (No.7 on the list) who has been acting as Nazim since the death of the late incumbent and holds the appointment of Daroga permanently, be confirmed as Nazim on a pay of Rs.40/-, and

(2) that Ghouse Ahmed Ali Khan (No.1 on the list) may be appointed on probation for one year as an Assistant Nazim in the Daroga's place vacated by No.7, with the change of designation.

8. I have given the matter my best consideration. It does not appear to me desirable to appoint as Nazim the first Daroga Mahomed Karimudin as he is 65 years of age and is too old to do any useful service The best arrangement seems to be to appoint Mahomed Ibrahim (No.23 on the list) the Registration Head Clerk of the Mysore District Office, whose name has been recommended both by the Deputy Commissioner and the Muzrai Superintendent for the place. He is in receipt of a salary of Rs.40 per mensem and may be allowed Rs.50, the pay at present fixed for the post of Nazim. If after such an arrangement, the first Daroga Mahomed Karimudin who is now acting as Nazim (No.7 in the list) wishes to be relieved, he may be permitted to vacate office and his place of first Daroga given to Ahmed Ali Khan (No.1 on the list) as agreed to by all.

To

The Revenue Secretary
Government of Mysore.

Respected Sir

Being given to understand that the place of Nazim al-Umra Bahadur has fallen vacant, I Nawab Sir Syed Muhammad Ghouse Ahmed Ali Khan beg to offer myself as an applicant for the same

I belong to the Royal family and am grand son of late Nawab Sir Muhammad Ali Khan Chief Judge of Mysore. A State pension of 3000 Rupees was granted to me from Government which is now withheld by Government on the ground that it was only official to only 4 generations and that I fall to be deprived of the same.

It is clear from the circumstances that the Maharaja, Government,

Sir Muhammad [illegible]

of Mysore

years ago given to me Abdul Kadek who now died and the place has fallen vacant.

On the 7th November 1910 I presented a memorial to His Highness requesting to kindly restore me to my hereditary Place of Vazir and His Highness was pleased to give me an endorsement in No 4964 Dy 25-2-1911 G.M 102-10-9 that my claims would be considered on the occurrance of a vacancy, a copy of which I beg to submit for your kind perusal

I am as a Mowlai fully competent for the place and my hereditary right will have to be deeply considered in filling up the existing vacancy as my family is put to a very miserable state after the state pension was ceased.

I therefor earnestly pray that on the perusal of records you will be pleased to confer the post on me and thus relieve.

For which act of benevolence I shall as in duty bound ever pray for your [illegible]

Sir,

I the humble petitioner Mir Nizamuddeen Ali Khan, retired Assistant Commissioner most humbly and respectfully beg to bring the following few lines into your kind consideration and favourable reply.

You are aware, sir, of the recent death of Kalac Ameer Saheb who was placed in charge as Nazim of the Tipoo Sultan's Gumbuz at Seringapatam. You know fully well that he was a very capable man and now there are none to occupy his place considering various circumstances. You are aware at the same time that I am a retired Officer and have no other work and can very conveniently look after the duties of the Nazim without expecting any kind of remuneration from the Government. I can manage the work by going over to Seringapatam twice in a week. In this connection I beg to state that Tipoo Sultan was my great grand father by maternal side and the tombs of my grandfather and grandmother exist even now and as such I have special interest in carrying out the duties which may be entrusted to me.

Under the above circumstances I humbly request you to appoint me as an honorary supervising officer for the place now left vacant.

Awaiting your esteemed favourable orders.

Short History of Mr Karimodin pensioned Excise Inspector and applicant for Nazim's post

Respected Sir;

The writer begs to state that Mr Karimodin pensioned Excise Inspector residing by the Side of Ulsoor-Lashkar Police Station Bangalore submitted an application on the 3rd Feb 1916 for the Nazim's post of Seringapatam. He tried his best to get the Nazim's post of Kolar; when it had fallen vacant some 2 or 3 years back and he tried his utmost to get Khaji's post of Seringapatam a year back, on the strength that his brother was the Nazim of Seringapatam.

The writer is at a loss to know why his claims were overlooked by the Government on both the occasions. Perhaps he did not exhibit them the valuable Sanads he possessed with the Seals of Aurungzeb, unbeknown to his durbar one Noble by name Rustum Khan etc, which were preserved for this occasion only.

(9y)

Again the writer is at a loss to understand that how Mr Karimodin been born in some titled house of Mysore is connected with the Noble Rustum Khan and his descendents. The Government may kindly Consider why these Sanads are exhibitted by Mr Karimodin only; but not by any of his elder brothers, the deceased Mr. Z and Police Inspector. Perhaps they were not entitled to those relationships. If properly spoken he has no right to those papers whatever; but he has wrongfully taken away certain papers from Somebodies' possession and made [illegible]

His father is not a native of Mysore but came and settled in Mysore State and was married in some Nawab's house of Mysore. So he or his relations cannot at all claim anything from the maternal side, according to Mahamadan or Hindu law. Leaving all these aside his personal qualifications are as follows He started his life as a Municipal overseer in Mysore on 10 or 12 rupees a month and pensioned from Excise Inspector's post some 10 years back. Perhaps he had not had all these family papers to become Musahib or Bakshi in the palace itself in the beginning alone. The Government may kindly ask the applicant why after his retirement from service did not settle in his ancestral house situated in 100 ft Road Mysore, but in a rented house of Kholasipalaya in Bangalore city. And why he made a gift of his share in his ancestral property, to the central Mahamadan association Bangalore, and why after the gift was made he was made the Secretary of the association and Nawab; but not ever in Government Service styled as Nawab. He has with him his better half by name Singi (now styled as Ashrufunisa Begum with Hindu pacha marks on her hands) her brother Chaluva though he has got his own house in Devaraja Mohalla is living with the applicant. Both Singi and Chaluva are the issues of one Singaru. This may ascertained by Referring the matter to T. N. Mir Nizamuddin Ali Khan pensioned Assistant-Commissioner or with any of his neighbours because Singaru's house is situated just behind the Nawab's Mohalla or from the Police Authorities of that Mohalla Mysore itself.

Secondly both the husband and wife cannot at all live without ordinary attack every day

Could be made out by addressing the Jamadar in charge of Khalasipalam Police Station. Regarding his education his start of 10 or 12 rupees itself is a proof, and about his persian and Hindustany education he knows only to read and write; but not Grammatic.

Under the above the circumstances he is the only proper man for the post of Nazim which has fallen vacant at Seringapatam,

He begs to remain
your most obedient Servant

Sir,

With due deference and submissions I beg to offer the following lines for your kind perusal with the sincere hope that my prayers will meet success at your hands.

Though oppressed and reduced to present humble state by the vicissitudes of fortune I claim a relationship with the Royal family of the late Tippoo Sultan of Mysore, the aunt of my paternal father, Nawab Jamalunnissa Saib, sister of the late Tippoo Sultan, Sayed Ibrahim Saib was the ascendancy of the present Royal family on the throne of Mysore, as a mark of regard and esteem a grant by family was granted rent free which we are still enjoying as per deed beyond my humble expression deep sense of gratitude for the kindness shown to the Government.

Present in the name of
from Lieut Col
of Mysore etc.

(17)

And as a Special Concessions, we are allowed to use the Palace 'honours,' such as 'Jilla' and we are granted 'Khillath' from the Palace. The fact that the cost of my marriage was borne by the H. H the Maharani C. I. E. the Regent is enough to show that my family is not left without regard and leads me to hope that such a helping hand will never cease to shower blessings on the once famous family. As a further proof of ~~which~~ what I have stated about my family Connections, I herein enclosed two copy of the letters, addressed to some of my ancestors, by European officers who were the Superintendents of Palace after the down fall of Seringapatam.

Such being the case the members of my family have been shown great Concessions regarding appointments in various departments; they held and are holding good appointments, the mention of their names here will make a long list. I shall quote only an instance of my uncle, Mohamed Hussain Saib, Bintoor, who was given the post of an Assistant Commissioner, on the recommendation of Prince Gulam Mahamed Sultan

And also I have got my uncle who is old now 110 years named Mahamed Salaridden Saib Bintoor, who is even now getting the pension of Rs 100/- from the respective Govt.

Coming to the point now, I beg to state Sir,

That during the Dewanship of the late Sir, P. N. Krishnamurthy I had applied to him for the appointment of 'Tasildar' the vacant in the Gumasthaship of Seringa-

Seringapatam.

It having been filled up otherwise by the Deputy Commissioner I was given to understand vide no 5-81 / 3 48 18 dated 9th Feb 1901

As the same appointment for which I had once been an ~~applicant~~ applicant has fallen vacant, I humbly beg if you'll be so good as to restore due consideration on my case, and grant that appointment to me. I also beg to state that I have served in the same department for a period of over 7 years so to my measure as such I have got the experience of such an appointment

It will not only prove at my present circumstances, a source of help to maintain my large family, but also gratify my devotional feelings by daily service at the monumental tomb of one with whom I have the relationship however far I have myself

for which act of kindness I shall ever pray for your long life & prosperity

Most Respected Sir,

With due deference and obeisance I beg most humbly to represent the following with a fervent hope that my poor request will be generously crowned with success.

2. I belong to a respectable family of Mysore in so much as my great grand-father, the -- late Mr. Mahamed Ali Saheb was the Commander-in-Chief of the armies of Hyder Ali and the Asiff or the Sole Administrator of a District during the reign of Tippu Sultan. Apart from the Gazetteer wherein the memoirs of this great man are mentioned, I possess many documents drawn on his behalf by Tippu Sultan from time to time, under his own writing and attestation. If I am kindly ordered, I shall be ready to produce them personally.

3. I am at present the First Assistant in the Madrasi Hafuzia maintained by the Municipality of the Civil and Military Station on a salary of Rs.20/ per mensem and have passed successfully the Departmental Examinations in Persian Arabic & Urdu, and possess a good knowledge in the religious studies.

4. Taking the above facts into consideration, I pray that my services be kindly transferred to the Kuzrai department as a Kazim of the Tomb of Tippu Sultan at Seringapatam, which place is vacant by the lamented death of the late M. Khalic Amir.

5. If my prayers are generously granted in the light of my rights, I shall, as a rightful man to the place, spare no pains to prove myself a true loyal successor of my ancestors who spare no pains to establish their loyalty for the welfare of their ---- Ruler under whom they had the honor to serve.

For which act of kindness, I shall as in duty bound, pray for your long life and prosperity.

The bearer Moulvi Mohamed Yakasem Ansari acted as Hindustani & Persian master in this school during October, Nov. and December 1912, in the temporary absence of Moulvi Meer Mohamed Hossain.

He taught Hindustani & Persian to the students in Form IV, V & VI who take these languages; and as far as I can judge he did his work well, his behaviour in his office being entirely satisfactory.

The humble Memorial of Mohamed Khasim Ali Khan Sahib, Benki Nawab residing at his Jaghir, Haralur, in the Bangalore Taluk sheweth :—

(1) God, the Omniscient, having blessed your Lordship with the birth, mind and position best suited for uplifting the undeservingly distressed from the tongueless obscurity to which their families have been dwindling, your memorialist begs leave to approach your Lordship with the following humble representation as his last resort on the fitting occasion of Your Highness' father's installation.

(2) Your memorialist is the direct lineal descendant of the first Benki Nawab Mohamed Raza Ali Khan Shahid, Sirmir Mira or Commander-in-chief of the late Tippu Sultan who fell in the battle during the latter Ruler's life-time, and who was the cousin (the maternal uncle's son) of Nawab Hyder Ali, who was the great grandson (grand daughter's son) of Mohamed Afzal Ali Khan Hatele, Nawab of Lahore, as per genealogical chart accompanying.

(3) From the above chart it will be seen that at the side of their heads the Masoleums of Raza Ali Shahid, Sirmir Meeran or Commander-in-chief to the Government of Tippu Sultan Shahid and his son Benki Nawab Mohamed Kahasim Ali Khan the Masoleums of Nawab Hyder Ali Khan Sahib Bahadur, and his son Tippu Sultan Shahid.and the aunt of direct Benki Nawab Raza Ali Sirmir Mir-meran or Commander-in-chief.

(4) That he is now receiving a monthly pension of Rs. 54 from the Gov-ernment of Madras and that it is hardly sufficient for his family to keep the body and soul together.

(5) From Your Highness' goodness he has everything to hope and to Your Highness as the common father of Your Highness' subjects, he looks up with the greatest anxiety that Your Highness would be graciously pleased to bestow on true that the serviceship of Darga of his ancestors at Seerangapatam, which he has right to claim being their descendant.

(6) And that concord may dwell in Your Highness' Council blessings await Your Highness' family and prosperity attend Your Highness' reign Your Highness' humble petitioner as in duty bound shall ever pray.

M. 22. Honoured Sir,

I, Nawab Abu Syeed Mohammad Gouse Ahamad Ali Khan Afsar, Mandimohalla, Mysore, humbly beg to submit that I am highly grateful for your kind interview which took place on last Friday. The very mention of my name from your lips and its notification in your diary suggests to me that the Nazimship of Tirthe's Gunnay which I claim, was bestowed upon me. You know best by the recommendation from the Dewan of the Prince of Arcot the genealogy of my family.

Nawab Bakhsh Ali Khan Saheb, Chief Judge of Mysore, and a pensioner on Rs 1000 was my great-grand-father From him, the Nazimship became hereditary. Due to the resignation of Nawab Abdul Ali Khan Saheb, the place was occupied by Unlawful claimants. My grand father was Constructor of the Chandni of Masjide Aala. At the government came to know the proper ability of the family of Bakhsh, the Nazimship was bestowed again to my Uncle. Afterwards my father was a Claimant [illegible] but he was asked to wait for [illegible]. Now it is vacant. Hence, I humbly beg of you honour to judge the ability and honour of the Claimant. Besides I am highly indebted for the recommendation of the Prince of Arcot and have informed of this,

(1)

to the Dewan of the prince of Arcot and my indebtedness of your honourable interview. As the Navjimship is now vacant, I humbly beg of your honour to judge the ability and prestige of the claimant to fill it up. I hope that your honour is gracious enough to shower your mercy upon the family which once enjoyed munificent pensions and salaries, and now upon the family which is bereft of all its pensions and left to embrace unbridled the storms of the world.

For which act of kindness, I and my family shall ever be highly grateful and pray for your long life and prosperity,

I beg to remain,
honored Sir,
Your most obedient Servant,
Nawab Abu Qeesa Mohammed Ghouse
Ahamad Ali Khan, Afsar.

THE GUMBUZ DEPARTMENT SERINGAPATAM

The post of Nizim in Seringapatam is vacant and I hear the same is not yet filled up inspite of several applicants for the post The question of the appointment of a Nazim to the Gumbuz Department of Seringapatam, now that the office is lying vacant by the death at the age of 63 of Mr Abdul Khalic Amir, who served as Nazim for 16 years, is engaging the attention of the Mahomedan Community here. Considering that the post is an important one, involving as it does much of executive work in the shape of personal management of the various Mahomedan institutions in the town, attending upon distinguished visitors, if not ordinary sight seers, supervision of the gardens attached to the Lal Bagh and the Musjid and the control of the expenditure of a large sum of money granted by the Government it is but natural that the community should be, much concerned with the new appointment. People that were hitherto appointed to this post were old men, in most cases pensioned officials of the Government During the appointment of the late Nazim, a strong question arose whether he was physically fit (for he was nearly 46 or 47 years at the time) and capable of talking in English Mr C. Madiah, the then Deputy Commissioner of Mysore District was said to have satisfied with the capacity and worth of this gentleman and got him appointed to the post. But events showed that he too was not efficient in the discharge of his work. During the visits of distinguished men, such as Viceroys, and Maharajas, some Officers of the State were being deputed to attend upon them and explain in English the importance of the relics of old Seringapatam, as the late Nazim was not able to do so Other things connected with the Department than attendance upon visitors have gone from bad to worse If a comparison is instituted between the Hindu Institutions and the Mahomedan ones, the failure of these old retired men in managing the business entrusted to them efficiently and well can be made easily obvious The buildings under these men are gradually deteriorating and the gardens, which should otherwise yield a sufficiently large revenue, are producing only small and mad quite profits if not complete loss The appointment also is not hereditary, the functions of the office being purely of an executive one and not the reading of the sacred Khoran and performing religious ceremonies, the post of Nazim may be entrusted to an energetic young man with sufficient knowledge of English and Kanarese If this is done the management of the whole institutions and the interests of the community can be greatly furthered.
